Requirement Details				
For each day of the mission you do not come in uniform there will be a deduction of 20points from your final uniform grade	The shirt you wear should appear as if you made some attempt to be a character in the future aboard a space navy ship or your Class Craft character	The pants you wear should compliment/integrate with the shirt and the theme of your uniform as a character on a space navy ship or Class Craft character and should not be your regular blue jeans.	The uniform should include at least one accessory that you created (more if you wish) such as a badge/ crest, hat/helmet, glasses/goggles, wrist or arm cuffs etc. that enhances the futuristic theme of your uniform. There needs to be evidence of your creative input and not just something store bought without any artistic modification on your part.	Note: shorts are not allowed and your uniform must be in line with school dresscode modesty requirements
